HOCKEY COACHES

Come out and help the kids at both the Hocktober Camp and throughout the season. You must complete your Coach Requirements prior to setting a blade on the ice.

Returning Mite and Mini Mite coaches remaining at those levels do not need to complete a CEP course or a module again this season.

Coach Applications are due Tuesday October 1 at 5:00 pm.

HOCKEY REFEREES

Gunnison will be hosting USA Hockey Officiating Seminars **October 12 – 13**. The Gunnison Valley needs more referees and it's a great way to make some money while staying in shape!

SCHOLARSHIP APPLICATION DEADLINE

Scholarship applications will be accepted until the early registration deadline for youth hockey. All scholarship award decisions will be based on funds available. If requests exceed the amount of funds available, scholarship awards may be less per applicant than in years past.

PEEWEE AND SQUIRT TEAM SELECTION

Due to CAHA and CDYHL requirements Crested Butte has two S squirt and two Pee wee teams entered into league play this year. A number of players will be double rostered on both the S squirt B & C teams, or the Pee wee A & B teams. This will all be explained during the mandatory parent meetings. The selection method to determine teams will follow the Parks & Recreation Department's [Mission Statement](#) and [Program Guidelines](#).

PRACTICE SQUADS

This deeply discounted program allows players to practice with their age appropriate team throughout the season. A limited number of non-league games may be available for Practice Squad players to participate in. No commitment necessary. Practice Squad players are not eligible for league games or tournaments. This is a great option for kids that want to keep skating, but also have other commitments during the winter.

MANDATORY PRE-SEASON PARENT MEETINGS

All team meetings are mandatory for at least one parent. Be sure to bring required paperwork to the meeting or drop off at the office before the meeting. All meetings will take place in the Council Chambers in Town Hall.
