A Special Thanks to Edgar & Jennie Villanueva
and The Wheeler Family for their sponsorships!

BALL BASH 2021

HOME RUN DERBY RULES

- Sign up available at Tommy V backstop on Saturday, 8/14 before 5pm. Cash or check only. \$25 per person. Open to anyone on a Ball Bash team roster. Limit of 15 women, 15 men. First ones to come and pay are entered.
- POINTS
 - Men: Balls that first hit fair territory on the warning track are 1 point. Balls that hit the fence are 2 points. Balls that clear the fence are 3 points – they do not need to clear the net.
 - Women: Balls that first hit the grass in fair territory will be 1 point. Balls that land on or after the 200 foot coed line are 2 points.
- Any bat may be used.
- Crested Butte Parks and Recreation will provide softballs.
- Participant must provide their own pitcher, who will be allowed 4 practice pitches. If a batter scores on a practice pitch they may count that hit for points. If they do so, they must start scoring at that point.
- Contest scheduled for 1.5 hours, delays of game will result in disqualification.
- Batting order will be random, announced at start of the Derby. The on deck batter will be announced right before the at bat player begins. Players will be allowed 1 minute after their name is called or they will be disqualified.
- In the first round, each batter will have **ten (10) swings**. Batters do not have to swing at every pitch. A missed swing, foul ball, or hit not counting as a point is considered a swing.
- The 10th swing will be a **Money Ball**. Any points scored with the Money Ball will count as double.
- Points from the first round **will not** be carried into the second round.
- The top three men and top three women of the first round will compete in a second round with **ten (10) swings** each. Any ties will be determined by a three (3) swing sudden death. Batting order will be in order of least to most points scored in the first round.
- A legal pitch shall be one that is thrown from anywhere on the pitching mound's dirt and clearly reaches a height above 6 feet (judgment to be made by the catcher/official scorer).
